BUILDING UP FAMILIES TORN APART BY TRAUMA

Spirit Reins works with children and families who have experienced trauma to make sure they have the tools and resources they need to reach their full potential and contribute to their community. Our team of licensed mental health professionals works alongside the entire family to give them the skills and experiences they need to build a strong foundation for lifelong well-being.

DONATE NOW!

Nonprofits will have the opportunity to win grand prizes and hourly prizes. On Amplify Austin Day, every organization receives stretch fund dollars based on total of stretch fund and dollars raised by the nonprofit. Nonprofits also have opportunities to multiply funds raised through matching gifts and prize money. These funds are not subject to transaction fees, and allow organizations to raise awareness and engage new donor support.
